Letter from A. R. RANMAN, Esq., B.A., F.R.S., F.A.A., Examiner of Local Fund Accounts Madras, to the Secretary to Government, Finance (Marine) Department (through the Chairman, Port Trust, Tuticorin), dated the 16th October 1929, No. L.F. 6382.

I have the honour to forward a report on the audit of the Tuticorin Port Trust Fund and the Tuticorin Port Fund accounts of the Tinnevely district for the year ending 31st March 1929.

# ENCLOSURE

## Report on the audit of the Tuticorin Port Trust Fund accounts of the Tinnevely district for the year ending 31st March 1929.

The audit of the accounts for the period 1st April 1928 to 31st March 1929 was commenced on the 7th August 1929 and ended on the 23rd August 1929.

2. During the period under audit the office of Chairman, Port Trust, was held by D. H. Becham, Esq., I.C.S., from 1st April 1928 to 18th June 1928, by Commissioner R. Srinivas, B.D., B.N.B. (Retired), from 18th June 1928 to 23rd February 1929, and by L. M. Fraser, Esq., I.C.S., from 23rd February 1929 to 31st March 1929.

3. The closing balance, viz., Rs 1,85,575-6-6 Port Trust Fund, Rs 56,374-1-11 Port Fund, was in agreement with that reported in the Accountant-General's preliminary statement for 1928-29, after allowing for outstanding charges. The President Fund, comprising revenue in hand at the close of the year and adjustments intimated to have been made in the March 1929 final accounts.

4. The audit was conducted by District Inspector Mr. V. Narayan Ayyar in accordance with the rules on the subject. The general result was satisfactory.

5. The balances on the 31st March 1929 relating to the Special President Fund of the Harbour Works are in Chief's department and the Tuticorin Port Trust were Rs 6,337-15-0 and Rs 353-9-6 respectively.

6. *Tonnage fees not received.*—Tonnage fees amounting to Rs 6 due from the Madras Company for boat No. 15 based on the 21st August 1928 to 23 "Factors" were not claimed and received. The amount was recovered on the audit having been pointed out in audit.

7. *Ground-rent.*—Collection not in accordance with the published schedule.—For goods stored in open space on Saturdays and removed long after the expiry of the free period of 24 hours, Sundays were excluded for the purpose of assessment of ground-rent. According to the schedule of rates published in Notification No. 96 on page 1563 and 1484 of the Port St. George Gazette, Part I, dated 16th December 1924, free for storage goods in open space were fixed as follows:—

"One rupee per 100 square feet or part thereof for the first week and three rupees for every succeeding week or part thereof; first 24 hours free of charge in removal within that period."

In the notification appended to G.O. No. 38, Finance (Marine), dated 17th January 1925, an addition was made to the rule as follows:—

"The free period of storage shall at any particular hour on a Saturday shall end at the corresponding hour of the following Monday and not at that hour on the Sunday, Sunday being counted as a 'day over' in reckoning the free period of 24 hours."

It will be clear from the above arrangement that Sundays can be excluded for the purpose of assessment of ground-rent only if the goods are removed on the succeeding Monday. The omission to collect ground-rent for Sundays in the case detailed in Appendix I is, therefore, unauthorized and has led to a loss in 1928-29 of about Rs 1,291-8-0 as worked out in the appendix.

8. The gross receipts and charges for the year as settled with reference to the Accountant-General's preliminary statement for 1928-29 and inclusive of adjustments to the President Funds were as follows:—

*Notes by the Secretary, Port Trust, Tuticorin, dated 15th October 1928.*

[Audit report for 1928-29.]

[Ground-reef—Paragraph 7—Collection not in accordance with the published notification.]

Please see Port Trust Resolution No. 268, dated 6th October 1927. It was mentioned therein that "the period from midnight on Saturdays to midnight on Sundays be included for the purpose of assessing ground-reef and that, etc."

But while submitting the auditors to Government it was stated as follows:—

"The free period for goods stored at any particular hour on a Saturday will end at the corresponding hour on the following Monday, and not at that hour on the Sunday, Sundays being treated as a 'day out' in reckoning the 56 period of 24 hours." This was sanctioned in G.O. Min. No. 26, dated 17th January 1928. Owing to misinterpretation of this Government Order Sundays were considered as 'day out' in the case of cargo stored on a Saturday and resulted after the expiry of the free period of 48 hours (which includes Sunday) as stated by the auditor. This procedure was not objected to by the District Inspector when he audited the accounts for the year 1927-28 in July and August 1928 and it was proposed that the procedure adopted was correct.

Since it is now objected and loss estimated as Rs. 1,591-8-8 for 1928-29, it will not be possible to collect the same and this amount together with such amount as may be due during 1928-29 may be written off under section 47 of the Tuticorin Port Trust Act with the sanction of Government. There is a proposal to further amend the ground-rent schedule.

Letter from E. P. Tuckwell, Esq., I.C.S., Chairman, Port Trust, to the Secretary to Government, Finance (Marine) Department, dated Tuticorin, the 9th January 1930, No. 2351.

I have the honour to invite a reference to this office letter No. 51268, dated 23rd October 1929, regarding the sanction of Government to write off the irrecoverable amount of about Rs. 1,591-8-8 referred to by the Auditor in his audit report of the Tuticorin Port Trust Fund Account for the year 1928-29 and to request the favour of a reply thereto.

*Official Memorandum No. 30411-A-Mar. 9, Finance (Marine), dated  
20th January 1930.*

[Tuticorin Port Trust—Audit report—Ground-rent—Writing off—From the Chairman,  
Tuticorin Port Trust, No. 3051, dated 9th January 1930.]

Under section 47 (2) of the Tuticorin Port Trust Act, 1924 (II of 1924), the Government sanction the write off of a sum of Rs. 1,591-8-8 being loss to the Port Trust Fund in 1928-29 on account of non-collection of ground-rent in certain cases—see paragraph 7 of the audit report of the Examiner of Local Fund Accounts submitted with his letter No. L.F. 6325, dated 16th October 1929.

To the Chairman, Tuticorin Port Trust,  
Examiner of Local Fund Accounts.

Letter from H. B. Ray, Esq., B.A., Accountant-General, to the Secretary to Government, Finance (Marine) Department, dated Madras, the 22nd January 1930, No. T. H. 593.

With reference to section 55 of the Tuticorin Port Trust Act, 1924, I have the honour to forward herewith the audit report on the works expenditure of the Tuticorin Port Trust for the year 1928-29.

#### ENCLOSURE

#### *Audit Report on the works expenditure of the Tuticorin Harbour division for the year 1928-29.*

*Scope of the report.*—This report deals with the audit of the expenditure of the Tuticorin Harbour Works, which are partly financed from loan funds, and such of these works financed from current revenue, as are executed by the Harbour Engineer-in-Chief's department.

2. *Capital expenditure.*—An amount of Rs. 2,50,000 was originally provided for the capital works in the budget estimate for 1928-29. The works were completed in November 1927, pending final orders on the alternative schemes for the construction and maintenance of a complete harbour, (a) at Hare Island, and (b) at the site fronting Tuticorin. As the final orders on the question were not expected before the expiry of the year, a sum of Rs. 1,54,000 was

sanctioned, and assumed by Government in G.O. Routine No. 15, Finance (Marine), dated the 6th February 1929, and another sum of Rs. 25,648 in G.O. No. 15, Finance (Marine), dated 8th March 1929. The balance of Rs. 69,944 and the expenditure against it, is distributed as shown below:—

Schedule A shows the actual expenditure on the deep water scheme and the revised appropriation for each item of the scheme for which the original appropriation was provided in a lump sum. The schedule also compares the total expenditure incurred on each work to and of 1928-29 against the amount of each assigned estimate.

The actuals for works, excluding suspense, during the year fall short of the final appropriation by Rs. 1,924 (2 per cent roughly). There are excesses on some works and deficits on others. The excesses, except under 'Suspense,' are negligible and were all paid by Government in G.O. No. 495, Finance (Marine), dated the 26th September 1929. The excess under 'Suspense' for the year was Rs. 821 and is stated to be unaccounted.

The reasons for the more important savings are given below:—

Brief number of item and description of work.		Estimate.	Reason given.
		Rs.	
Item 1 to 4.—Dredging in approach channel partly by St. David.		1,038	The revised appropriation provided for the actual expenditure on dredging during the year plus the estimated amount for repairs, erected to dredger "St. David," at Cochin. The actual expenditure on repairs passed on by the Cochin Division before the end of the year fell short of the estimate by this sum, and it is stated that the lapse was not anticipated.
Item 31.—Staff for six years at 15½ per each.		758	The amount reserved for work to be done by the Cochin Division already included savings leviable by that Division, and the resumption of the savings portion of the appropriation for this Division is stated to have been overlooked. Hence the lapse.

Schedules A-1 and A-2 show the appropriation and outlay on other capital works not directly connected with the scheme in execution.

3. *Revenue account.*—Schedule B exhibits the details of revenue receipts and also the expenditure on engineering and maintenance works charged to Revenue account. It also compares the outlay with the original and revised appropriations.

The revenue realised during the year was Rs. 1,847 as against Rs. 4,521 of the previous year. The decrease was under 'Rents of buildings' and 'Miscellaneous.' The former was due to the Assistant Harbour Engineer's quarters being occupied rent-free, by an officer entitled to rent-free accommodation, under clause 14 of his agreement from 10th December 1927 to end of the year, and the latter, to a remission of Rs. 1,593 in 1927-28 on account of his charges from the Cochin Harbour Division, on a sum lent to it.

The actual expenditure fell short of the revised appropriation by Rs. 322.

4. *Debit account.*—A comparative statement of the outstanding balances is given below:—

			Stock— debit— balance.	Months— open— debit— balance.	Previous— debit— balance.
			Rs.	Rs.	Rs.
1928-29	.. ..	.. ..	1,41,402	25,153	540
1927-28	.. ..	.. ..	75,975	17,377	489
1926-27	.. ..	.. ..	63,573	Nil.	310

Stock.—The closing balance under stock and the mentioned reserve limit for the same are noted below:—

	Closing balance.	Reserve limit.
	Rs.	Rs.
Coal .. .. .	25,108	1,00,000
Other stores .. .. .	28,424	40,000

As the mentioned reserve limit was nearly four times the actual value of the balance of stock, the desirability of reducing the reserve limit was suggested in the monthly audit note and Government have accordingly since reduced it to Rs. 20,000 in G.O. No. 494, Finance (Marine), dated the 27th September 1929.

The closing balance of stock under the different sub-heads were verified by the following officers on the dates noted against each:—

Stock other than coal:—

Mr. E. Thompson .. .. Technical Assistant to the 4th, 5th and 6th Harbour Engineer-in-Chief. March 1929.

Coal:—

Mr. R. J. Miller .. .. Executive Engineer .. 31st January 1929 and 31st February 1929.

Revenues over the book balance were observed in coal and other stock articles. The gross under the latter was adjusted in the accounts for March 1929 while the adjustment of excess under coal is stated as awaiting the orders of the Deputy Harbour Engineer-in-Chief to Government.

5. Tools and plant.—The articles borne on the tools and plant account were verified by the following officers on the dates noted against each:

Mr. R. J. Miller .. .. Executive Engineer .. 25th and 28th November 1928, 12th and 15th December 1928.

Mr. J. W. Brown .. .. Mechanical Superintendent. 1st, 16th and 17th November 1928.

In the case of missing articles noticed, cost with cartage was recovered from the persons responsible.

6. Materials of site of works.—Materials worth Rs. 250 were reported to be at the site of the work 'Constructing a new wharf at foreshore between R. C. jetty and coal jetty' and they were verified by Mr. J. Campbell, Officer-in-Charge, Tullahoma Harbour division.

7. Outlay held under obligation:—

Class of obligation.	Amount reported to.	Amount cleared.	Balance at the end of March 1929.
	Rs.	Rs.	Rs.
Work of estimate .. .. .	30,815	30,815	..
Excess over estimate .. .. .	48,147	48,147	..
Work of appropriation .. .. .	11,608	11,608	..
Excess over appropriation .. .. .	4,730	4,730	..
Miscellaneous irregularities .. .. .	50	50	..

8. The expenses of the capital works.—As stated in paragraph 5 above the capital works at Tullahoma were expended in November 1927, and in G.O. No. 555, Finance (Marine), dated 17th July 1928, Government ordered the preparation of detailed estimates for two rival schemes—one at New Island and the other at Tullahoma. In paragraph 9 of the Audit Report for 1927-28, the financial implications of such a stoppage were stated by this office to be under examination and a separate report was promised to Government. Until final orders are passed by Government, as to which of the alternative schemes will be finally taken up, and provided with, the exact extent of responsible outlay, if any, on the works already executed and the plant and machinery found unsuitable and lying idle, cannot be definitely worked out and reported. In reply to this office enquiry in letter No. 453, C. H., dated the 15th October 1928, Government have stated that the question of the alternative schemes is under consideration with the Chairman, Tullahoma Port Trust. Their final orders are awaited.

General remarks.—The accounts of the Executive Engineer, Tullahoma Harbour division, were inspected in December 1929 and September 1928 and they were reported to be satisfactory.

H. E. Ray,  
Accountant-General.
